1. SERIAL NUMBERS

- 1.1 The serial number is imprinted on an adhesive label attached to the underside of the Cambridge Computer Z88, as: 00798. The number relates directly to the numbered sequence of the production run.

2. PARTS LIST

- 2.1 Parts lists for the Cambridge Computer Z88 are presented in tabular form. They apply to pcb Issue 3 and Issue 4. Issue 3 boards have certain components hand-wired onto the board (see Section 4, page 4.2). These components have been incorporated into the printed wiring for Issue 4 boards.
