

# Z88 Training Days

---

The **Z88** Training Days at Milton Keynes offers you the opportunity to get "hands on" experience in a friendly group of like minded people.

The **Z88** is fast becoming a 'cult' machine. Come along and find out why.

## **Steaming-up the** – Evening Session

A short informal gathering for non-computer people to get familiar with the basic functions of the **Z88** and PipeDream.

## **Z88 Training Day**

A whistle-stop tour on what the **Z88** can be used for – with a Practical Workshop Session afterwards.

Setting up your **Z88**

Printer Driving

The Filing System

PipeDream Basics

Advanced PipeDream

Diary

Communicating with other Computers

**Z88** Survival Guide

Workshops

## **Z88 Follow-up Day**

Primarily designed for people who have already attended the Training Day – with practical examples to work through.
